Safety, Well-Being & Comfort

About Us

Pelican Manufacturing was established in 1987 to provide pressure care items for geriatric Patients in nursing homes and hospitals. Since then, we have grown and developed into Australia's premier nursing goods supplier, manufacturing a wide range of products.

A fully Australian owned & operated company, with our head office in Perth, Western Australia, Pelican not only operates right across Australia, but also supplies facilities in the United States, Canada, England, Germany, Singapore, Japan, New Zealand, Dubai and Saudi Arabia. In fact, we can send orders to almost anywhere in the world.

Our aim is to offer Patients a high level of dignity, safety, and well-being, while also helping make Carers' roles easier and safer. We maintain an extremely high level of quality in accordance with International Standard AS/NZS ISO 9001, and our patented items are internationally recognised.

Many items in the Pelican range have been developed following customers' suggestions or concerns regarding aspects of Health Care. Chances are, if you are having a particular problem in a certain area, other people are probably having the same problem. If you cannot see what you are looking for, please contact us to discuss your query.

Continuous Quality Assured certification since 1995, ensuring quality of our products, customer services & business systems.

Pelican is an NDIS Approved Provider
(Registration # 4050014543)

Quality products for elderly, disabled, injured & recovering people & their Carers.
